**FOR THE ATTENTION OF  
ALL LIVERPOOL HEAD TEACHERS AND  
LEADERS OF OTHER EDUCATIONAL SETTINGS**

Dear children, young people, parents/carers and families,

We appreciate the considerable anxiety faced by the whole community at this moment. My team is working closely with Head Teachers to ensure they are provided with up-to-date guidance and support.

It is important that we all follow the guidance set out by the Government and DfE which no doubt will change over the coming days and weeks.

I thought it would be helpful if I provided the following reassurances, based upon the current position as of 16<sup>th</sup> March 2020.

- All schools currently remain open. They will **only** close as a result of coronavirus case, if directed to by Public Health England.
- There is **no** need to cancel school events or activities including domestic trips, unless the risk assessment undertaken by the school concludes this is necessary.
- Schools **will not** be communicating to their school community 'suspected' or 'confirmed' cases of coronavirus, unless directed to by Public Health England.
- Schools are ensuring that children, young people, staff and visitors are washing their hands thoroughly and regularly throughout the day.
- Schools are taking steps to clean and disinfect regularly touched objects and surfaces more often than usual, using regular cleaning products.

- Children should be kept at home for 7 days if they are unwell with a new, continuous cough or a high temperature, to avoid spreading infection to others. **Otherwise they should attend as normal.**

Guidance about staying at home is available here:

NHS guidance can be found here:

- Schools are spending time in lessons, as part of the curriculum, talking to children about coronavirus and supporting children who may be experiencing any anxiety.

We value the support of our schools, children, young people and families during these uncertain times. Liverpool has a strong tradition of pulling together, long may this continue.

Best wishes,

Steve Reddy,  
Director,  
Children and Young People's Services.
